Revised July 2020

FLY FISHING: CATCH AND RELEASE ONLY ON BARBLESS HOOKS

COVID-19 NOTICE

Whilst this is an open and remote location, we do ask all anglers to respect social distancing regulations in the event of any interaction with other persons, whether angling or walking within the area. We do reserve the right to ask persons found to be in breach of this request to leave the area.

The season runs until 17th October.

Fishing is from dawn to dusk.

Anglers must enter name and car registration number in the returns book in the box BEFORE fishing (including members' guests).

All anglers must complete a catch return (including "nil returns") in the book after fishing OR use the new online return form at: <http://llyncoronfishery.co.uk/catch-return-form/>

Day ticket holders may leave and return as many times as they wish during the daylight hours of the given date.

Anglers must be in possession of the appropriate rod licence.

Boats are for members and guests only. Float tubes, kayaks etc are allowed at THE USER'S OWN RISK.

It is the responsibility of all anglers to provide adequate personal safety precautions; including wearing a life jacket whilst using a boat, float tube or wading.

Any persons under 18 may fish free of charge.
